

Associate Attorney

Position - Associate Attorney

We are seeking an experienced attorney (2+ years in family law) to join our small boutique law practice.

We are looking for ambitious and detail orientated candidate who shares in our firm's commitment to the highest ethical standards. The successful applicant must be organized and able to effectively manage their time. We are looking for someone personable and professional with clients as well as opposing counsels. The candidate must be honest, hard-working and motivated. The ideal candidate will be able to manage multiple clients and effectively cope with the career's intrinsic stress.

The chosen candidate **MUST POSSESS** a full understanding of Family Law, including Dissolution of Marriage, child custody issues, child and/or spousal support issues, etc. The candidate **MUST** possess the ability, experience and knowledge to confidently attend/handle court appearances on their own; have complex legal research experience; demonstrate investigative skills; an excellent and effective writing ability; have the ability to effectively propound and respond to discovery; have the ability to attend and take depositions; and, must possess the knowledge and experience to prepare forms and draft pleadings.
